Note from Dan

Happy New Year 2004!!

Hope your holidays were great, and ready for a new year of woodturning. We made 550 cars, and thanks to all who helped. The Christmas Dinner went very well, the food very good, thanks to every one that brought food, and to Margie for coordinating the dinner.

Marion McDaniel from the Dallas Area Woodturners will show us how to make wooden snowmen at the Jan. meeting. He has made over 3000 so far.

We will have an open shop on Jan. 10, 2004, location to be announced at the Jan. meeting.

HAPPY TURNINGS, Dan

***Message from the Editor:***

I think that every one had a good time at our Christmas Dinner. The auction went very well, as it produced more than was needed to pay for the wheels on the cars and a dollar or two left over.
