

March 2004

Page: 1 of 2

This Month's Meeting:

Place: Caddo Mills Senior Citizen Center

Date: Mar. 11, 2004

Time: 7:00 P.M.

Message from the President:

Note from Dan Well Spring is almost here!! New wood to be turned will be growing. There is a program sponsored by the Sawmill Creek group to make pens for our Military Troops. They have set a goal of having 20,000 pens for 2004. I have applied to them for the HCW to make pens for the troops I should have more details on how the program will work at the Mar meeting, There web site is www.freedompens.org. I have ordered some Corian for the pens. The treadle lathe that Sammy and Danny Bellows have made and will demo at the Mar meeting sounds very interesting, looking forward to seeing it at the meeting. Bring some thing for show and tell, happy turning. Dan

Message from the Editor:

Call For Demonstrators

The Southwest Association of Woodturners formerly known as Texas Turn or Two is soliciting proposals from those interested in demonstrating at the 2004 woodturning symposium in Temple, Texas., October 2nd and 3rd. We here in Texas and the surrounding states have a vast amount of talent, and it is time to share skill and talents. This event last year attracted over 450 participants -- the second largest gathering of woodturners in the nation. If you have a unique skill or feel that you have something to offer, please contact your club TTT representative, or the TTT website for an information sheet that must be filled out and returned to the demonstrator selection committee by **April 30, 2004**. Information sheets are also available from the website www.texasturnortwo.com or from Bill Berry - Demonstrator Committee Chairman,
