***This Month's Meeting:***

Place: Caddo Mills Senior Citizen Center

Date: April 8, 2004

Time: 7:00 P.M.

***Message from the President:***

Note from Dan. This is one of the nicest times of the year with every thing greening up and the days are getting warmer. The Freedom Pen project is under way, I have received the pen kits, corian and have ordered more corian and plastic pen tubes. The web site is [www.freedompens.org](http://www.freedompens.org). We also have 2 sponsors to fund the project so now no one will need to pay for the kits and supplies. We will be able to make pens at the Hunt County Fair in Jun, this is turning out to be a fun program and hope every one will get involved. I will have the kits and corian at the Apr meeting. This is the Quarterly turning contest meeting, **something from the garden**. Glynn Gayler will demo, how to make a pepper mill, should be very interesting. There will be an open shop at my place on Sat Apr 10, freedom pens and how to start open and closed segment turnings and any other problem or project any club members are having. Bring some thing for the Quarterly contest and show and tell, happy turning. Dan

**Call For Demonstrators**

The Southwest Association of Woodturners formerly known as Texas Turn or Two is soliciting proposals from those interested in demonstrating at the 2004 woodturning symposium in Temple, Texas., October 2<sup>nd</sup> and 3<sup>rd</sup>. We here in Texas and the surrounding states have a vast amount of talent, and it is time to share skill and talents. This event last year attracted over 450 participants -- the second largest gathering of woodturners in the nation. If you have a unique skill or feel that you have something to offer, please contact your club TTT representative, or the TTT website for an information sheet that must be filled out and returned to the demonstrator selection committee by **April 30, 2004**. Information sheets are also available from the website [www.texasturnortwo.com](http://www.texasturnortwo.com) or from Bill Berry - Demonstrator Committee Chairman,
