Note from Dan. The Freedom Pen project is getting bigger, we are going to participate in a Turn-A-Thon at Curly Woods store in McKinney, Texas on May 15, the goal is to see if the HCW, Dallas area Woodturners DAW, and The Woodturners of North Texas WNT can set a pen turning record. We will be also making pens at the Hunt County Fair in June, 4 thru 12. We will have 2 lathes at the fair and a display inside of the Arts and Crafts Building. I will have a sign up sheet for the fair at the meeting. We will be voting on the Turned items to be displayed in Temple at the Cultural Center for the 2 months prior to the SWAT Symposium, Bring your best turnings to the May meeting. Also bring something for show and tell, happy turning
