Message from the President:

Note from Dan.

Pens, Pens, Pens. I hope everyone is not getting tired of the Freedom Pens as we still have may more to make. The Turn- a-Thon at Curly Woods in Mckinny was very successful, we made 325 pens Wow. We set a records for a 1 day TAT so far, records are make to be broken. The Hunt County Woodturners turned most of the pens, as we had 14 turners there, Thanks to all that participated, and we had a great time!! We have sent 156 pens that club members have made. The Hunt County Fair is starting and a lot of you have signed up to make pens at the Fair, this should be a very productive event for Freedom Pens. All you need to bring to the Fair is your turning tools, every thing else will be provided .We will keep the 2 lathes running during the duration of the Fair. Hope to see you at there.

We will be participating in the Rockler National Turn-A-Thon in Mesquite on Jun 26, don't have the time yet and how many lathes we will be taking, will keep you posted as I get more details. The Jun meeting will be at the Fair on Thursday Jun 10.

Dan
