Date: JULY 8, 2004

Time: 700 P.M.

Message from the President:

Note from Dan

Well we got through all of the Turn-A-Thons!! And we did just outstanding. We made 732 pens at the fair, and as part of the group at the Rockler we made 170 for the day even with the rain, we lost some time moving every thing inside and every one had a good time. We had very young turner, 5 years old and he did a good job. I have some more kits on order so we can continue with the program, **but only if you want to**. The Club has turned in over 1300 pens, about 1/6 of the total for the nation, this is quite remarkable for a club of this size, and we have a very dedicated group. Thanks The Saw Mill Creek forum had some nice words about our pen turning accomplishments. Bring something for the show and tell for the July meeting and will see you there.

Happy Turning. Dan
