## **Message from the President:**

Greetings! When will fall ever get here??

We will take nominations for club Officers at the Nov 11th meeting and anyone who would like to be an officer, please, do not be bashful. We had a good turn out for the Rockler TAT on Oct 23rd there were a total of 168 pens made. We had 8 lathes running, all Mini Jets.

There was constant flow of people coming in to see what pen making is all about and a lot them turned pens, maybe we will get some new members, a great time was had by all!! Rockler was very generous with drinks, morning pastries and pizza for lunch.

Woodcraft TAT is next on Thursday Nov 11th in Addison. The quarterly challenge is something for Christmas, sure would like to see some great entries. We will have an open shop on Saturday Nov 13th to make Christmas toys. Happy turnings and bring some thing for show and tell.

Dan

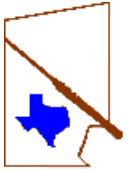

## **This Month's Meeting:**

Place: Caddo Mills Senior Citizen Center

Date: November 11, 2004

Time: 7:00 P.M.

Topic: Tool sharpening and tools from screw drivers. This will be a hands on meeting. New and experienced turners will pick up a few tips from the demonstrators and then have the opportunity to practice on your own tool. At last month's meeting Fred Groves showed us some specialty tools he created from old screwdrivers. This month he will show you how to create your own. Please bring your dull tools and your old screw drivers.

## **HCW Calendar:**

November 13, 2004	Christmas donations shop at Bill Schluter's 9:00 AM till noon
December 4, 2004	Christmas donations work shop, Dan Henry's 9:00 AM till noon
December 9, 2004	Holiday party meeting
January 13, 2005	Goblet turning
January 15, 2005	Open Shop
February 10, 2005	Photographing your work
February 12, 2005	Open Shop
March 10, 2005	Wayne Furr presenting "FROM TREE TO FINISH"
March 12, 2005	Open Shop

## **Notes from the Editor:**

We had another good turnout at the October meeting, 30 members along with assorted family. Sam Robinson was our guest.

A good start for the HCW Christmas donation project was made at the October open shop. Fifty cars created on three lathes in three hours. We need to play catch-up since we are starting later this year than last year.

Those not gainfully employed please try to attend the Woodcraft TAT this Thursday. November 11<sup>th</sup> is Veterans Day, a fitting day for this project.

My apologies for listing the quarterly turning challenge, a Christmas item, as being at the October meeting instead of November.

December 10<sup>th</sup> thru the 12<sup>th</sup> is The Woodworking Show at the Arlington Convention Center.

## **HCW Officers:**
